96 SUSSEX STREET
JERSEY CITY, NJ 07302

March 13, 2020

Dear Families,

As we move to uncharted territory next week with remote learning for the Jersey City Public Schools, I would like to remind you that the teachers will be available from 8:00 until 2:45 (excluding prep and lunch times) to answer any concerns you may have regarding the assignments. Please feel free to reach out to them. They will be very happy to respond to any of your questions. We ask that you log into Google Classroom, Class DoJo, or the Remind App daily for instructional updates. Some of the teachers may upload videos of themselves teaching a lesson or have students log in for an interactive virtual teaching of a lesson so be on the lookout for these options. We want to keep your child connected to the classroom and his/her teacher as much as possible. You can also reach me at twatkins-williams@jcboe.org or Mr. Salgado at asalgado@jcboe.org.

In the meantime, be well. We will get through this.

Best regards,

A handwritten signature in black ink, appearing to read "Terry".

Terry Watkins-Williams
Principal
