Explorations in Math - Mrs. Roskin

Grades K-2 / Monday and Wednesdays 10am / Fee: \$150

Each week students will explore different mathematical concepts such as geometry, graphing, measurement, and fractions.

Cursive Handwriting for Beginners- Mrs. Payumo-Gomes

Grades 1 & 2 / Mondays and Wednesdays 10am / Fee: \$150

*JCPS is bringing cursive back in the curriculum as mandated by the state. Cursive Handwriting Club for Beginners is an introduction to learn the initial skills of cursive writing. Students will work on specific skills such as fine-motor/eye-hand coordination, forming continuous letter strokes, directionality, proper pencil hold, line awareness, and organization. Give your child a head start and join our club!

S.T.E.M Club- Outer Space Edition- Mrs. Pater

Grades 1 & 2 / Mondays and Wednesdays 11am/ Fee: \$170

Come with me on a trip to space! In this class, we will blast off and explore the planets. We will visit each planet, the moon, stars and asteroids too! Students will learn interesting space facts and get a chance to be creative during this class exploring science, technology, engineering, and math simultaneously.

Hands on Space Exploration- Mrs. Shue

Grades K & 1 / Mondays 11am / \$85

Hands on Space activities/experiments (using mostly common household materials) to explore and learn many interesting topics related to Space.

Singing- Ms. M. Williams

Grades 1st / Monday thru Friday every day 11am / Fee: \$375

Students will learn singing techniques, repertoire and performance.

Chess with 101 Discoveries – New Beginner

Ages 6 and up / Mondays and Tuesdays 2pm / Fee: \$150

The beginner class is for children with no prior knowledge of chess or less experience. Please register accordingly. Classes will be done via Zoom platform.

Chess with 101 Discoveries – Intermediate

Ages 6 and up / Mondays and Tuesdays 3pm / Fee: \$150

The intermediate class is for children who have prior chess knowledge and played at least 10 games previously. Please register accordingly. Classes will be done via Zoom platform.

Social Studies Explorers – Ms. Kane

Grade 1 & 2 / Tuesdays and Thursdays 10am / \$150

Students will explore topics such as cultures and customs, the beginning of our country, US Symbols and more. In this club students will listen to stories, watch videos, view photos and share in an interactive discussion. There will be optional projects and activities throughout the eight weeks using minimal supplies (paper, pencil, markers, etc).

Cursive Handwriting Club for Intermediate Level- Mrs. Payumo-Gomes

Grades 1 & 2 / Tuesdays and Thursdays 10am / Fee: \$150

Cursive Handwriting Club for Intermediate are for students who have been exposed and have some knowledge of cursive handwriting instructions. Students with basic knowledge skills will work on increasing their legibility and fluidity as well as organization.

Games 'R Us- Mrs. Payumo-Gomes

Grades 1 / Tuesdays 12pm / \$75

Games R Us is like indoor recess for kids. Fun activities will include Brain Teasers, Scavenger Hunt, BINGO, Trivia, Hangman, Word Games, Pictionary, Karaoke and many more all time favorite games! These fun activities will keep them focused, build on social skills and promote sportsmanship.

Crafty Crafters- Ms. Kane (New)

Grades PreK 4-1 / Wednesdays 12:00pm / Fee: \$82

Students will be provided with a packet of supplies to be used throughout the weeks. Students will learn to create items as well as learn some of the science behind it all. Some examples include creating foam paint, ocean in a bottle and coffee filter art.

Nimbus Dance for PS 16

Ages 4-6 / Wednesdays 2pm / Fee: \$75

Stay active and challenge yourself with Nimbus Dance! Students will take 5 classes that engage their creativity, boost their rhythm and explore the amazing ways they can express themselves through dance! Students will have opportunities to learn choreography to fun and energetic music, get their blood flowing and hearts pumping through extended follow along dance sequences, and be the creators of their own choreography, expressing their individuality and emotions under the guidance of Nimbus' renowned professional teaching artists. We can't wait to see you "virtually" on the dance floor!

Science Experiments - Ms. Damato

Grades K-2 / Thursdays 9am / Fee: \$75

We will conduct at-home Science experiments using items found in your home. These will be fun experiments and not too messy :)

Singing- Ms. M. Williams (New)

Grades 1-2 / Thursday 12pm / Fee: \$75

Students will learn singing techniques, repertoire and performance.

Virtual Bollywood I with Shehnaaz Dance Academy

Grades: K -1 / Thursdays 2pm / Fee: \$75

Geared for our younger students, this class focuses on teaching the basics of dance, form and coordination. The fun curriculum focuses on learning and recognizing the beat and gaining familiarity with basic dance moves. The sessions

help students with their concentration, interest, coordination and movement. Our class is designed to be a fun activity for the children in order to get them moving and grooving to the music beats while also learning 1-2 minutes of choreography during their Summer break. Bi-weekly practice videos will be shared for at home practice.

Relaxation and Meditation- Ms. Damato

Grades K-5 / Fridays 10am / Fee: \$75

In Relaxation and Meditation, we relax and listen to a guided meditation while turning our minds off to the stress of everyday life. Especially being home, this will give children a way to just turn everything virtual off and relax.
