Fractions and Measurement in Baking and Decorating- Mrs. Shue

Grades 2-5 / Mondays 9am / Fee: \$90

Learn how fractions and measurement are important when you are baking cupcakes and cookies. You will see how those measurements are also important when you are decorating the cupcakes and cookies, while also learning techniques and tips for making beautiful treats.

Readers Theater Club- Mrs. Pater

Grades 2-5 / Mondays and Wednesdays 10am / Fee: \$150

Hear Ye! Hear Ye! In this club students have an opportunity to act out Reader's Theater scripts, write and perform skits, make small props, and play games that are centered on theater and drama. This summer program activity will be a perfect chance for students who are outgoing and like to role-play as well as for students who are shy and might benefit from exposure to performing in front of a ZOOM audience. Space is limited so don't delay in reserving your child's spot in this fun, exciting, and unique class!

Cursive Handwriting for Beginners- Mrs. Payumo-Gomes

Grades 1 & 2 / Mondays and Wednesdays 10am / Fee: \$150

*JCPS is bringing cursive back in the curriculum as mandated by the state. Cursive Handwriting Club for Beginners is an introduction to learn the initial skills of cursive writing. Students will work on specific skills such as fine-motor/eye-hand coordination, forming continuous letter strokes, directionality, proper pencil hold, line awareness, and organization. Give your child a head start and join our club!

Explorations in Math - Mrs. Roskin

Grades K-2 / Mondays and Wednesdays 10am / Fee: \$150

Each week students will explore different mathematical concepts such as geometry, graphing, measurement, and fractions.

S.T.E.M Club- Outer Space Edition- Mrs. Pater
Grades 1 & 2 / Mondays and Wednesdays 11am / Fee: \$170

Come with me on a trip to space! In this class, we will blast off and explore the planets. We will visit each planet, the moon, stars and asteroids too! Students will learn interesting space facts and get a chance to be creative during this class exploring science, technology, engineering, and math simultaneously.

The Pottery Club- M. Figueroa (New+Updated)
Grade 2-5 / Mondays and Fridays 1pm / Fee: \$150

This class will introduce students to building with clay. Emphasis will be placed on the design elements: line, texture, shape and color. Focus will be on hand building techniques such as; pinch, coil and slab building. Students will be introduced to the craft of pottery.

Chess with 101 Discoveries – New Beginner
Ages 6 and up / Mondays and Tuesdays 2pm / Fee: \$150

The beginner class is for children with no prior knowledge of chess or less experience. Please register accordingly. Classes will be done via Zoom platform.

Chess with 101 Discoveries – Intermediate
Ages 6 and up / Mondays and Tuesdays 3pm / Fee: \$150

The intermediate class is for children who have prior chess knowledge and played at least 10 games previously. Please register accordingly. Classes will be done via Zoom platform.

Hands on Space Exploration- Mrs. Shue
Grades 2 - 5 / Tuesdays 9am / \$85

Hands on Space activities/experiments (using mostly common household materials) to explore and learn many interesting topics related to Space.

Social Studies Explorers – Ms. Kane

Grade 1 & 2 / Tuesdays and Thursdays 10am / \$150

Students will explore topics such as cultures and customs, the beginning of our country, US Symbols and more. In this club students will listen to stories, watch videos, view photos and share in an interactive discussion. There will be optional projects and activities throughout the five weeks using minimal supplies (paper, pencil, markers, etc).

Cursive Handwriting Club for Intermediate Level- Mrs. Payumo-Gomes

Grades 1 & 2 / Tuesdays and Thursdays 10am / Fee: \$150

Cursive Handwriting Club for Intermediate are for students who have been exposed and have some knowledge of cursive handwriting instructions. Students with basic knowledge skills will work on increasing their legibility and fluidity as well as organization.

Passport to... - Ms. Roskin

Grades 2-4 / Tuesdays and Thursdays 10am / Fee: \$150

Each week students will virtually explore different travel destinations by focusing on food, clothes, music, art, crafts and important sights.

Growing Your Own Herb Garden- Ms. Warrington and Mrs. Gauch

Grades 2 & 3 / Tuesday OR Thursday 11am / Fee: \$95

Students will explore the life cycle of plants. We will grow our own herb gardens at home and learn how to care for and maintain healthy plants.

Creative Writing- Ms. Kane

Grades 2-5 / Tuesdays and Thursdays 1:00pm / Fee: \$150

Students will become familiar with different types of writing such as fractured fairy tales, historical fiction and more. During the eight weeks, students will be presented with a genre of writing and will explore it until they are comfortable

creating their own piece. Students can get feedback from teachers and peers and edit as desired. Students can use a notebook and pencil or a computer.

Games 'R Us- Mrs. Payumo-Gomes

Grades 2 & 3 / Wednesdays 12pm / \$75

Games R Us is like indoor recess for kids. Fun activities will include Brain Teasers, Scavenger Hunt, BINGO, Trivia, Hangman, Word Games, Pictionary, Karaoke and many more all time favorite games! These fun activities will keep them focused, build on social skills and promote sportsmanship.

Crafty Crafters- Ms. Kane

Grades 2-5 / Wednesdays 1:00pm / Fee: \$82

Students will be provided with a packet of supplies to be used throughout the weeks. Students will learn to create items as well as learn some of the science behind it all. Some examples include creating foam paint, ocean in a bottle and coffee filter art.

Nimbus Dance for PS 16

Ages 7-10 / Wednesdays 3pm / Fee: \$75

Stay active and challenge yourself with Nimbus Dance! Students will take 5 classes that engage their creativity, boost their rhythm and explore the amazing ways they can express themselves through dance! Students will have opportunities to learn choreography to fun and energetic music, get their blood flowing and hearts pumping through extended follow along dance sequences, and be the creators of their own choreography, expressing their individuality and emotions under the guidance of Nimbus' renowned professional teaching artists. We can't wait to see you "virtually" on the dance floor!

Science Experiments - Ms. Damato

Grades K-2 / Thursdays 9am / Fee: \$75

We will conduct at-home Science experiments using items found in your home. These will be fun experiments and not too messy :)

Singing- Ms. M. Williams (New)

Grades 1-2 / Thursday 12pm / Fee: \$75

Students will learn singing techniques, repertoire and performance.

Virtual Bollywood II

Grades: 2- 5 / Thursdays 3pm / Fee: \$75

Geared towards older students, this class involves more complex steps, transitions and body isolations. Emphasis is placed on form, stance, hand-leg coordination and active learning. This class helps the students get an insight into how to emote and express oneself through dance thus and building their confidence. Our class is designed to be a fun activity for the children in order to get them moving and grooving to the music beats while also learning upto 2.5- 3 minutes of choreography during their Summer break. Students at this level will be expected and encouraged to memorize choreography. Bi-weekly practice videos will be shared for at home practice.

Math Word Problems – Ms. Bigger

Grades 2 / Fridays 9am / \$75

For all students eager to be challenged! Students will be given higher order mathematical word problems, logic problems and puzzles/games to promote critical thinking skills.

Relaxation and Meditation- Ms. Damato

Grades K-5 / Fridays 10am / Fee: \$75

In Relaxation and Meditation, we relax and listen to a guided meditation while turning our minds off to the stress of everyday life. Especially being home, this will give children a way to just turn everything virtual off and relax.
