Fractions and Measurement in Baking and Decorating- Mrs. Shue

Grades 2-5 / Mondays 9am / Fee: \$90

Learn how fractions and measurement are important when you are baking cupcakes and cookies. You will see how those measurements are also important when you are decorating the cupcakes and cookies, while also learning techniques and tips for making beautiful treats.

Readers Theater Club- Mrs. Pater

Grades 2-5 / Mondays and Wednesdays 10am / Fee: \$150

Hear Ye! Hear Ye! In this club students have an opportunity to act out Reader's Theater scripts, write and perform skits, make small props, and play games that are centered on theater and drama. This summer program activity will be a perfect chance for students who are outgoing and like to role-play as well as for students who are shy and might benefit from exposure to performing in front of a ZOOM audience. Space is limited so don't delay in reserving your child's spot in this fun, exciting, and unique class!

Exploring Science- Mrs. Figueroa

Grades 3-5 / Mondays and Wednesdays 11am / Fee: \$150

Learning Science thru Experiments, Claim, Evidence and Reasoning.

Stepping Up to Fourth Grade- Ms. V. Williams

Grade 3 / Monday thru Thursday every day 11am / Fee: \$300

To keep students engaged in small group learning activities. Reviewing third grade language skills and preparing students for fourth grade. We'll be experiencing informative virtual class trips.

Getting Ready for the Grade Level-Mrs. Figueroa

Grades 3-5 / Monday, Wednesday and Fridays 12pm / Fee: \$225

Preparing students for the upcoming academic year with fun hands on activities.

Chess with 101 Discoveries – New Beginner

Ages 6 and up / Mondays and Tuesdays 2pm / Fee: \$150

The beginner class is for children with no prior knowledge of chess or less experience. Please register accordingly. Classes will be done via Zoom platform.

Chess with 101 Discoveries – Intermediate

Ages 6 and up / Mondays and Tuesdays 3pm / Fee: \$150

The intermediate class is for children who have prior chess knowledge and played at least 10 games previously. Please register accordingly. Classes will be done via Zoom platform.

The Pottery Club- M. Figueroa (Updated)

Grade 2-5 / Mondays and Fridays 1pm / Fee: \$150

This class will introduce students to building with clay. Emphasis will be placed on the design elements: line, texture, shape and color. Focus will be on hand building techniques such as; pinch, coil and slab building. Students will be introduced to the craft of pottery.

Hands on Space Exploration- Mrs. Shue

Grades 2-5 / Tuesdays 9am / \$85

Hands on Space activities/experiments (using mostly common household materials) to explore and learn many interesting topics related to Space.

Paathshaala- Mrs. Figueroa

Grades 3-5 / Tuesdays and Thursdays 10am / Fee: \$150

Learn Hindi through English medium.

Passport to... - Ms. Roskin

Grades 2-4 / Tuesdays and Thursdays 10am / Fee: \$150

Each week students will virtually explore different travel destinations by focusing on food, clothes, music, art, crafts and important sights.

Growing Your Own Herb Garden- Ms. Warrington and Mrs. Gauch

Grades 2 & 3 / Tuesday OR Thursday 11am / Fee: \$95

Students will explore the life cycle of plants. We will grow our own herb gardens at home and learn how to care for and maintain healthy plants.

Book Club (T/Th)- Mrs. Mistretta

Grades 3-5 / Tuesdays and Thursdays 12pm / Fee: \$150

Read aloud of Percy Jackson series, discussion of mythology, investigating Roman beliefs.

Creative Writing- Ms. Kane

Grades 2-5 / Tuesdays and Thursdays 1:00pm / Fee: \$150

Students will become familiar with different types of writing such as fractured fairy tales, historical fiction and more. During the eight weeks, students will be presented with a genre of writing and will explore it until they are comfortable creating their own piece. Students can get feedback from teachers and peers and edit as desired. Students can use a notebook and pencil or a computer.

Science Experiments - Ms. Damato

Grades 3-5 / Wednesdays 9am / Fee: \$75

We will conduct at-home Science experiments using items found in your home. These will be fun experiments and not too messy :)

Little Chefs- Ms. Kane

Grades 3-5 / Wednesdays 10am / Fee: \$90

During this culinary journey, students will learn to create delicious food that the whole family can enjoy. Students would not use a stove or oven but might need access to a microwave. A list of ingredients will be given prior to our sessions. Each class will contain an informational session about ingredients and cooking and an interactive section where they create!

Let's Imagine and Create- Mrs. Destasio

Grades 3-5 / Wednesdays 10am / Fee: \$75

Let's create a play skit together and dress up!!! Become whatever character you would like, dress up, act out and be dramatic. We will Zoom and set up a shared google doc where the students will create a play skit. Once skit is created, and students have rehearsed, the finale of this camp will be to perform via Zoom. LETS HAVE FUN!!!!!!

Book Club (W/F)- Mrs. Misretta

Grades 3-5 / Wednesday and Fridays 12pm / Fee: \$150

Read aloud of Percy Jackson series, discuss mythology, gain a further understanding of Roman beliefs and traditions.

Games 'R Us- Mrs. Payumo-Gomes

Grades 2 & 3 / Wednesdays 12pm / \$75

Games R Us is like indoor recess for kids. Fun activities will include Brain Teasers, Scavenger Hunt, BINGO, Trivia, Hangman, Word Games, Pictionary, Karaoke and many more all time favorite games! These fun activities will keep them focused, build on social skills and promote sportsmanship.

Crafty Crafters- Ms. Kane

Grades 2-5 / Wednesdays 1:00pm / Fee: \$82

Students will be provided with a packet of supplies to be used throughout the weeks. Students will learn to create items as well as learn some of the science behind it all. Some examples include creating foam paint, ocean in a bottle and coffee filter art.

Singing- Ms. M. Williams (Updated)

Grade 3 / Wednesday 1pm / Fee: \$75

Students will learn singing techniques, repertoire and performance.

Nimbus Dance for PS 16

Ages 7-10 / Wednesdays 3pm / Fee: \$75

Stay active and challenge yourself with Nimbus Dance! Students will take 5 classes that engage their creativity, boost their rhythm and explore the amazing ways they can express themselves through dance! Students will have opportunities to learn choreography to fun and energetic music, get their blood flowing and hearts pumping through extended follow along dance sequences, and be the creators of their own choreography, expressing their individuality and emotions under the guidance of Nimbus' renowned professional teaching artists. We can't wait to see you "virtually" on the dance floor!

Virtual Bollywood II

Grades: 2- 5 / Thursdays 3pm / Fee: \$75

Geared towards older students, this class involves more complex steps, transitions and body isolations. Emphasis is placed on form, stance, hand-leg coordination and active learning. This class helps the students get an insight into how to emote and express oneself through dance thus and building their confidence. Our class is designed to be a fun activity for the children in order to get them moving and grooving to the music beats while also learning upto 2.5- 3 minutes of choreography during their Summer break. Students at this level will be expected and encouraged to memorize choreography. Bi-weekly practice videos will be shared for at home practice.

Future Math Leaguers / Math League Prep- Ms. Bigger

Grade 3 / Fridays 10am / Fee: \$75

For all students eager to be challenged! Students will be given higher order mathematical word problems, logic problems and puzzles/games to promote critical thinking skills and prepare them to compete in Math Competitions.

Relaxation and Meditation- Ms. Damato

Grades K-5 / Fridays 10am / Fee: \$75

In Relaxation and Meditation, we relax and listen to a guided meditation while turning our minds off to the stress of everyday life. Especially being home, this will give children a way to just turn everything virtual off and relax.
