[Bradford BEARS Book Club:](#)

Mrs. Hennessey

Can twelve 12-year-olds escape from the most ridiculously brilliant library ever created? *"Escape from Mr. Lemoncello's Library"* is more than a rib-tickling novel full of humor and suspense. It's a game in itself, in which students will have fun solving clues and answering riddles while learning how to navigate the Dewey Decimal system (readers will partake in a Library scavenger hunt). Rumor has it there is even one puzzle that is in the book but not in the story. Can you find and solve it? Final class fun: Book vs Movie!
