

We are so excited to finally be able to share information about our After School Enrichment Clubs at the Annex!! We know how much our students benefit from the enrichment opportunities at PS16 each year. This information relates to the after-school clubs in the Annex building only. Classes are set to begin on **Wednesday, April 17** and run for 6 weeks. Our parent council has worked with our teachers to create a program filled with a multitude of fun learning activities. The parent council has chosen to reduce the CPA fee to \$30 to cover our administrative, building usage, security, and insurance costs. We hope that reducing the fee by \$10 will help offset the fee charged to you by Signup genius.

Registration for classes will begin on Sunday, April 14 at 7 pm. Links to register will be shared prior to registration. Our classes will run for 45 minutes. Please register your children according to their grade level. Double check your child's schedule to ensure there will be no conflicts with the classes you register for.

Students in CASPER will be brought to their Afterschool Club and returned to their CASPER room when club finishes. Non-CASPER students will be brought to their club at regular dismissal time (2:40) and can be collected by parent/guardian when the club finishes at 3:45.

Please note that when you register your child for a CPA After School Club you are agreeing to the following:

*"I agree to place my Child in the care of the program volunteers and staff, subject to all its rules and requirements., I understand that the PS16 CPA carries liability insurance but not medical insurance, I give permission to have my Child's image/photo taken and used in PS16 CPA After School Program future publications and/or website. **All payments made are non-refundable.** I understand the CPA has the right to return a payment and cancel a registration. Refunds are not given if a child misses a class. Class makeups are only scheduled if the teacher has to cancel a class, school is canceled for inclement weather, etc., Each class has a minimum enrollment requirement. If this is not met, that class will be canceled, and refunds will be given."*

As always, thank you for your support.

Bradford Coding Cubs -

Mrs. Hennessey, School Library Media Specialist, Level 2 GOOGLE for Education certified educator, and certified instructor in SEL and character development

Grades: K- 1

Cost: \$130 + \$30 fee

Learning to code is more than just a vocational skill: it changes the way children analyze and solve problems, and encourages creative thinking and collaboration. Here, students will learn more sophisticated unplugged activities and work through a greater variety of puzzles. Students will learn the basics of programming, collaboration techniques, investigation and critical thinking skills, persistence in the face of difficulty, and internet safety.

Magic

Mr. Bacher

Grades: K-1

Cost: \$155 includes magic kit + \$30 CPA Fee

Magic with Mr. Bacher! Learn magic tricks with Mr. Bacher.

Storytime Yoga

Ms. Schoeck

Grades: K-1

Cost: \$120 + \$30 CPA Fee

Let's go on an adventure together! On the way we will make friends, learn self-calming skills, and mindfulness while playing games and moving.

Science Explorers

Ms. Shue

Grades: K-1

Cost: \$150 (Materials Included) +\$30 CPA Fee

This club will provide children with an opportunity to become engaged in the wonders of science. Students will explore the world of chemistry, astronomy, geology, and Earth science. Each week junior scientists will explore a different science concept through hypothesizing, experimentation and creation, and gaining a better understanding of the scientific method!

Soccer Stars

Ms. Thomas

Grades K-1

Cost: \$120 + \$30 CPA Fee

Learn soccer skills in a fun environment. In every class students will use soccer to nurture, build self-confidence and develop teamwork. We will work on the fundamentals of passing, dribbling, defending and goal scoring. We will end each session with a mini game.

Tuesdays 3:00-3:45 pm

April 23, May 7, 14, 21, 28, June 4

Treat Making

Ms. Shue

Grades: K-1

Cost: \$150 (Materials Included) +\$30 CPA Fee

Students will learn the ins and outs of making yummy treats. Included in the lessons will be various techniques for decorating sugar cookies using royal icing, how to make cake pops, techniques for decorating cupcakes, making treats out of chocolate-covered pretzels, making and decorating rice krispie treats and a grand finale of decorating their own mini cakes!

Basketball Stars

Ms. Thomas (University of Massachusetts Hall of Famer)

Grades: K-1

Cost: \$120 + \$30 CPA Fee

Focus on various fundamental basketball skills such as dribbling, defense, shooting, and game situations.

Puppetry with Mr. Bacher!

Mr. Bacher

Grades: K-1

Cost: \$ 130 + \$30 CPA Fee

Learn the art of puppetry and make your own puppets with Mr. Bacher!

Math Challenge

Ms. Bigger, *Enrichment Teacher*

Grade: 1

Price: \$120+ \$30 CPA Fee

For all students eager to be challenged! Students will be given higher-order mathematical word problems, logic problems, and puzzles/games to promote critical thinking skills.

"Arts and Crafts"

Ms. Cheatham

Grades: K-1

Cost: \$145 (Materials Included) + \$30 CPA Fee

Does your child enjoy using their imagination to create new things? They will enjoy using a variety of fun materials to create unique crafts throughout the 6 weeks! Our crafters gain self-confidence and social skills in their ability to create and express themselves through crafting in a trusting and supportive environment. Children's projects will always turn out looking unique!

Wednesdays 3:00-3:45 pm

April 17, 24, May 1, 8, 15, 22

Color Us Happy Club

Ms. Payumo

Grade 1

Cost: \$150 (Supplies Included) +\$30 CPA Fee

Fun hands-on activities that will spark creativity as we explore colors using different techniques and materials. From oil pastels, natural real-food coloring, bubble painting, to shades of shaving cream, etc, students will learn the art and science of color.

On the Road Again with Flat Stanley

Mrs. Martino

Grades: K-1

Cost: \$100 + \$30 CPA Fee

This K-1 after school club will virtually travel through the 5 regions of the United States. We will learn more about other parts of the country we live in and what makes each region special. Our final focus will be all about our great state of New Jersey!

Theater Arts with Mr. Bacher!

Mr. Bacher

Grades: K-1

Cost: \$ 130 + \$30 CPA Fee

Have fun playing theater games and doing improv scenes with Mr. Bacher.

Book Buddies

Ms. Isoldi

Grades: K-1

Cost: \$100 + \$30 CPA Fee

Do you love reading? Want to brush up on your comprehension and writing skills? Then this Orton Gillingham-based book buddy club is perfect for you.

Little Orators

Edge Up

Grades K-1

Cost: \$120 + \$30 CPA Fee

Unlock the power of expression and boost confidence in a class designed for kindergarten and first-grade students. This engaging program is tailored to provide a supportive environment where young learners can practice speaking in front of crowds, refining essential skills such as diction, posture, and articulation. The goal is to instill a sense of confidence and self-assurance in each child, helping them discover and embrace their inner voice via workshops and play.

Thursdays 3:00-3:45 pm

April 18, 25, May 2, 9, 16, 23

Ms. Palmer's Sensory Club:

Ms. Palmer

Grades: K-1

Price: \$125 (Materials Included) + \$30 CPA Fee

This club aims to build children's sensory skills through hands-on and engaging activities. This will aid children in tackling complex tasks, following multistep directions, and improving their ability to problem-solve. The various activities will enable students to engage ⅔ of their senses (taste and smell will be excluded) and boost their language and motor skills. Some activities include: making sensory bottles (visual); playing sound discrimination games (auditory); making and blowing bubbles (oral); making and using paper mache (tactile).

Math Challenge

Ms. Bigger, *Enrichment Teacher*

Grade: 1

Price: \$120+ \$30 CPA Fee

For all students **eager to be challenged!** Students will be given higher-order mathematical word problems, logic problems, and puzzles/games to promote critical thinking skills.

Groove and Move in a Zumba Fitness Club

Ms. Veronica Figueroa

Grades: K-1

Cost: \$110 + CPA Fee \$30

Elevate your afternoons with my after-school Zumba Club! Unleash your inner dancer, embrace lively rhythms, and turn fitness into a dance party. Perfect for all levels, my Zumba class is designed to keep you active, boost your mood, and make staying healthy a blast. Join me for an energetic and enjoyable experience that not only gets your heart pumping but also puts a smile on your face. No dance expertise required – just bring your enthusiasm, and let's dance our way to fitness together!

Cool Kids' Science Experiments

Ms. Cheatham

Grades: K-1

Cost: \$145 (Materials Included) + \$30 CPA Fee

Science experiments are important to every kid's development. Kids are naturally inquisitive and love learning new things. You can satisfy your child's curiosity through this club. They will have an awesome time conducting experiments while learning.

The Very Fun World of Eric Carle

Mrs. Martino

Grades: K-1

Cost: \$125 + \$30 CPA Fee

Kids enjoy the Eric Carle books—the fun characters and the beautiful illustrations. This K-1 after-school club will take a closer look at Eric Carle's vibrant and beautifully written books! Each week we will take a deeper dive into an Eric Carle Book and complete a craft that correlates with the book. This will have students excited about art while cultivating a love for literature.

Friday 3:00-3:45 pm

April 19, 26, May 3, 10, 17, 31

Bradford Coding Cubs -

Mrs. Hennessey, *School Library Media Specialist, Level 2 GOOGLE for Education certified educator, and certified instructor in SEL and character development*

Grades: K- 1

Cost: \$130 + \$30 fee

Learning to code is more than just a vocational skill: it changes the way children analyze and solve problems, and encourages creative thinking and collaboration. Here, students will learn more sophisticated unplugged activities and work through a greater variety of puzzles. Students will learn the basics of programming, collaboration techniques, investigation and critical thinking skills, persistence in the face of difficulty, and internet safety.

Singing with the Stars

Ms. M. Williams

Grades: K-1

Cost: \$120 + \$30 CPA Fee

Students will sing a long, Karaoke fun, and singing rhymes with a trained professional singer.

Basketball Stars

Ms. Thomas (University of Massachusetts Hall of Famer)

Grades: K-1

Cost: \$120 + \$30 CPA Fee

Focus on various fundamental basketball skills such as dribbling, defense, shooting, and game situations.

Cool Kids' Science Experiments

Ms. Cheatham

Grades: K-1

Cost: \$145 + \$30 CPA Fee

Science experiments are important to every kid's development. Kids are naturally inquisitive and love learning new things. You can satisfy your child's curiosity through this club. They will have an awesome time conducting experiments while learning.

Around the World in Six Weeks

Mrs. Monika Figueroa

Grades: K-1

Cost: \$120 + \$30 CPA Fee

Embark on a thrilling journey! Designed for curious minds, this club invites elementary students to explore diverse cultures, traditions, and landmarks from across the globe. Each week, we'll "visit" a different country, and engage in hands-on activities, interactive games, and creative projects that bring the world to life. From crafting cultural artifacts to tasting international snacks, every session promises a new enriching adventure. Join us as we foster global awareness, curiosity, and a sense of unity in this enriching and educational journey around the world!
